

Foxton Beach School (2358)

Enrolment Scheme

The guidelines for development and operation of enrolment schemes are issued under section 11G (3) of the Education Act 1989 for the purpose of describing the basis on which the Secretary's powers in relation to enrolment schemes will be exercised.

Purpose and Principles

- A. To avoid overcrowding or the likelihood of overcrowding at the school;
- B. To ensure that the selection of applicants for enrolment at the school is carried out in a fair and transparent manner; and
- C. To enable the Secretary to make best use of existing networks of State schools.

In achieving its purpose, an enrolment scheme must, as far as possible, ensure that:

- A. The scheme does not exclude local students: and
- B. No more students are excluded from the schools than is necessary to avoid overcrowding.

Home Zone

All students who live within the home zone described below shall be entitled to enrol at the school.

All residential addresses to the west of this intersection are in zone including Palmers Road, Wylie Road (up to the Round Bush Reserve only), Cousins Ave, Foxton Beach Road (addresses between this intersection and Seabury Ave only), Seabury Ave and Nash Parade. All side streets and roads off those mentioned here are also in zone.

Foxton Beach Road addresses to the east of this intersection are not in zone.

Southern Boundary
Manawatu River

Northern Boundary

The northern boundary ends at Round Bush Reserve on Wylie Road. Residential addresses north of this point are not in zone.

Special Programmes

This priority category is not applicable at this school because the school does not run a Special programme approved by the Secretary.

Out of Zone Enrolments

Each year the Board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school and on the school website. The notice will indicate how applications are to be made and specify a date by which all applications must be received. The notice may indicate how many places are available.

Applications for enrolment will be processed in the following order of priority:

First Priority	This priority category is not applicable at this school because the school does not run a special programme approved by the Secretary.
Second Priority	Will be given to applicants who are siblings of current students.
Third Priority	Will be given to applicants who are siblings of former students.
Fourth priority	Will be given to applicants who are children of former students.
Fifth priority	Will be given to applicants who are either a child of an employee of the board of the school or a child of a member of the board of the school.
Sixth priority	Will be given to all other applicants.

If there are more applicants in the second, third, fourth, fifth or sixth priority groups than there are places available, selection within the priority group will be by a ballot conducted in accordance with instructions issued by the Secretary under Section 11G(1) of the Education Act 1989.

Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.
