Home & School Newsletter

Nau mai, Haere mai to all our new whanau.

We hope you and your children are settling into 2022 at FBS, I just wanted to introduce the Home & School group to those who are new, and existing parents. Home & School is how you can get involved in your child's school journey at Foxton Beach School.

The Foxton Beach Home & School has been going strong for many years since the school opened in 1951, and in 2014 became a registered charity which is a privileged status to hold. However we need your help to continue.

As with other volunteer based groups we do need people/volunteers to help design, plan and manage activities and events and more importantly take on the governance of the committee (sounds too much work?!?!). Its not too much work, but it is essential if we are to keep this Home & School going.

So please consider giving some of your time and skills to this cause.

I have thoroughly enjoyed my time with the Home & School and have met some great friends through this; come along and join in. [Katie Outgoing Committee Member]
