Parent Handbook

WELCOME TO FOXTON BEACH SCHOOL

At Foxton Beach School we are passionate about providing our students with a quality education.

We base all learning around numeracy and literacy, also ensuring our students get a balanced education.

We want our students to be actively engaged in their learning and where possible, we incorporate aspects of technology into the classroom programme.

We also endeavour to meet the physical and cultural needs of our students. We have strong sports teams that play in local competitions and our school Kapa Haka Group is outstanding. Please feel free to make an appointment and we will show you around the classrooms and discuss what Foxton Beach School has to offer your children.

And we incorporate the Key Competencies in all we do.

OUR PRINCIPLES

- Our Teachers will deliver quality teaching in all curriculum areas.
- All Teachers will have thorough planning which will cater for all abilities in their class.
- There will be an emphasis on incorporating information communication technology into all curriculum areas.
- The staff will develop and promote high expectations of behaviour and work standards
- The Principles of the Treaty of Waitangi will be recognized as an important part of the culture of Foxton Beach School
- All staff will continue to provide a warm, nurturing environment both in and out of class.

CORE VALUES OF FOXTON BEACH SCHOOL

Respect - Honesty, Loyalty, Valuing each other

Innovation - Always trying new ideas

Confidence - Being proud of ourselves and our achievements

Excellence - Doing our best in all we do

RICE for short

GOALS

- For all our children to be highly numerate and literate by the time they leave this school .
- To have all children learn in a modern learning environment, utilizing modern technology.
- To provide quality programs that cater to the varied needs of our children.
- To develop more involvement in the school from our immediate parent group.

IMPORTANT POINTS TO REMEMBER

- Do listen to what the children want to tell you when they arrive home.
- Do discuss books with them when they bring them home.
- Do admire their pictures and drawings and talk about them with your child.
- Do show sympathy if your children comes home upset but sort things out with them so they are happy to go to school the next day.
- Do try to attend functions, your children like to see your interest.
- Do back up the school by teaching road safety rules.
- Do give lunches that the child likes and enjoys. Include water in a plastic bottle.
- Do contact us if you have any problems.

**ENJOY YOUR CHILD'S SCHOOLS DAYS WITH THEM.
THEY GROW UP AND LEAVE HOME VERY SOON.**

ABSENCES

Children's absences must be telephoned to the school office by 9am. A text message will be sent if your child is not at school asking their whereabouts shortly after 9 am.

An answer phone service is available 24 hours a day on 06 363 8331 or text a message to 027 363 8331

or e-mail office@foxtoneach.school.nz

At Foxtone Beach School we want all of our students to learn and we are also responsible for ensuring all children attend school on a regular basis. If your child's attendance falls below 85% we will let you know by way of letter so you can plan accordingly. If it falls below 75% and there is no explanation for this then it may be referred to the attendance services in Levin.

If families are planning on being away for an extended period of time parents need to discuss this with the classroom teachers so plans can be put in place.

ACCIDENTS

If your child is involved in an accident at school, we will notify you immediately and if necessary arrange for medical attention. If you change address or contact details, please make sure you let our administrator at the school office know.

BELL TIMES

Grounds Open 8.30am
School Commences 8.55am
Interval 10.40 - 11.00am
Lunch 12.30 - 1.15pm
Final Bell 2.45pm

Children are not to be in the school grounds before 8.30am and must go home when dismissed at 2.45pm as there is no staff supervision of children outside these hours. Children are not to be in the school grounds while study centre is running. Study centre ends at 4:15pm.

CHEWING GUM & FIZZY DRINKS

Lollies and chewing gum are not permitted at school or on school trips. We are a water only school and this includes sports trips and camps etc.

CELL PHONES & OTHER TECHNOLOGY

Children must hand cell phones in to the office before school.

They will be kept in a secure place and can be collected at the end of the day. If students have Chromebooks parents would have completed the Kawa of Care with the students. No other students should be handling anyone else's device as they each have one of their own. If a child interferes with someone else's device and it is damaged they will be liable for the insurance excess.

CHROMEBOOKS

If your child is in year 4 to 8 then a lot of the work they do is shared with them electronically through Teacher Dashboard. We have a number of devices at school for students to use but they can't take these home. If parents choose to purchase a device through the Te Hinaki Trust it can be paid off over 1,2 or 3 years.

COMMUNICATION

- We encourage parents to communicate with teachers at all times of the year.
- If you wish to help in the class, you can by negotiation with the Principal.
- If you have a concern, make an appointment with your child's teacher.
- The Principal's door is always open, if you wish to discuss any matter.
- The Deputy Principal is also happy to help with any matters.
- We have parent conferences and written reports in Term 2 and 4 for all Year 4 to 8 children. For children who are younger they will receive a midyear and end of year report based on when they started school during the year.
- We also have parent evenings and open days where parents can see class programmes in action.

CURRICULUM PROGRAMMES

- Literacy - Reading, Written, Oral & Visual Language
- Numeracy
- Te Reo
- Social Sciences
- Science
- Technology
- Health
- Physical Education
- The Arts
- Learning Languages—Yr 7 & 8
- Digital Technologies

We extend the basic curriculum as and when relevant through:

- Special Needs Teaching
- Special Abilities Programmes
- Kapa Haka
- Music
- Choir
- Weekend & after school sports

CYCLISTS

Bikes are kept in a designated area which is out of bounds unless children are collecting their bikes. Helmets must be worn and bikes are not to be ridden in the school grounds. If a child brings a bike to school without a helmet they will need to ring to have one brought to school. We will not allow children to leave the school grounds without a helmet.

DENTAL CLINIC

The mobile dental clinic visits the school annually. Any other urgent appointments can be made by ringing Levin Health Centre 06 366 0060 where the clinic is based.

ENROLMENT SCHEME

All children enrolling must live within our home zone. For more information please contact the school.

FRIDAY LUNCHES

Every Friday children can purchase either Fish and Chips through Mr Grumpy's or Chicken and Chips through the Four Square. Fish and chips can be ordered before school at the hall. Chicken and chips can be ordered from the beach Four Square. Both orders are delivered to school at lunchtime.

During the rest of the week, lunch can be ordered for delivery to the school from Four Square. These are healthy options only.

HEADLICE

This is a really awesome service supplied by our Home & School group. Children are checked for headlice once a term. Kidscan nit treatment is sent home for parents to treat their own children. We do ask parents to check and treat on a more regular basis as well. The Home and School group are always looking for extra helpers during whole school head checks.

HEARING & VISION TESTING

Public Health Service Technicians carry this out each year. All new entrants and Year 7 children are checked each year. If you wish your child to be checked, please contact the school office

HOMEWORK

Work given will be relevant to the curriculum and current topics.

Homework will be set by the Teachers each week.

Homework is designed to be done at home, so it should be relatively easy. Homework is set for each night and is normally marked on a Friday.

If the teachers do not set homework for the night then parents should be getting their children

to read some material from around the home or do some basic facts work with the children.

HOME & SCHOOL GROUP

All parents are welcome to join in with this group who meet regularly in support of the school with extra help, events and fundraising. Every parent that enrolls their children into the school is automatically a parent in the Home and School group.

The Home and School carry out some very important activities within the school such as helping with the breakfast club at morning tea times, nit checks, running disco's and organising and running other fundraisers.

We encourage all parents to join in with some, or all of these activities.

LIBRARY

Children are encouraged to use the Library for leisure reading and research, as well as in timetabled class times. If children bring books home please ensure they are returned. Parents are welcome to help their children select books for home reading.

PRESCHOOL EDUCATION

Best Start Carthew Terrace offers early education to preschool children.

Information is as follows:

Children aged 3 - 6yrs are entitled to attend three 6hr days at no charge to the family. This is covered under the government ECE scheme. No forms needed to apply for that.

Children are automatically entitled.

If further hours are required, our fees are \$6 per hour. Discounts are also given for full time.

We can also apply for a WINZ subsidy for the family to help meet costs.

Enrolling is nice and easy, pop in, meet the team and pick up an enrolment form.

Monday to Friday 8am to 4.30pm.

WHEN CAN MY PRESCHOOLER START SCHOOL

At Foxtton Beach School we have adopted cohort entry of all new entrants starting school. This means that all new entrants looking at starting will begin on the first day of the term or mid term date after their birthday or at a time the child is school ready. What we are trying to ensure children start school they are school ready and not just age 5. Discussions between school, pre-school and parents is encouraged to decide when it is the best time for your child to start.

It is beneficial for all preschoolers to:

- Knows own name and address well enough to repeat it when necessary
- Knows how to print own name (not in capitals)
- Knows the safest way to and from school
- Puts away toys and materials after using them
- Knows how to put on and take off shoes, coat and jersey
- Knows how to go to and flush the toilet and wash hands afterwards
- Can blow their own nose when needed?
- Uses scissors
- Listens to and enjoys stories
- Is used to drinking water and eating healthy options at break time.
- Can carry their own school bag and it is big enough for all of their items.
- A bonus would be your child knowing the following.....
- Knows their alphabet letter names and some sounds.
- Can count, write and order numbers to 10.

The reasons why we are implementing cohort entry are:

- 1) All the children have visits together and start at the same time. It removes some of the barriers for children starting by themselves.
- 2) Each term we will be carrying out a welcome to officially welcome all new students and their whanau.
- 3) It helps us manage the number of new entrants starting and the flow on effect this has with other classes.

Pre-enrolment forms can be picked up from the office. Once pre-enrolled the new entrant teacher will then contact parents to organise visits a month or so before they are due to start school. In some situations there may be a discussion with the pre-school, new entrant teacher and the family about the possibility of the children, having more time at the ECE. Children do not have to start at 5, we are looking for children to start when they are school ready.

Children under 6 years can remain at ECE's. This is a decision that ECE's and parents can make together, however as soon as they turn six, the child is able to start school on their birthday anytime during the term.

2020 mid- term dates for schools implementing cohort entry

TERM	START OF TERM DATE	MID-TERM DATE*	END OF TERM DATE
1	03/02/2020	9/03/2020	9/04/2020
2	28/04/2020	2/06/2020 (Tuesday)	3/07/2020
3	20/07/2020	24/08/2020	25/09/2020
4	12/10/2020	11/12/2020	18/12/2020

NEWSLETTERS

These are emailed each fortnight. Additional copies are also available on our website www.foxtonbeach.school.nz. They will keep you fully informed about what is happening at the school and also give information from the Board of Trustees. Once a term a community newsletter is delivered to all Foxton Beach households. Please make sure that these are read so you are keeping up with all the happenings at school.

OUTDOOR EDUCATION

Outdoor Education plays an important part in the senior school. As a rule the senior classes have a major trip every two years (even years).

PARENT TRANSPORT

From time to time throughout the year, parents are asked to provide transport to and from sporting activities, class trips, etc. If you can assist with this please leave your name at the office. All cars must be registered and have a current WOF. Drivers must have a full licence.

PUBLIC HEALTH NURSE

The Public Health Nurse visits the school on a regular basis. If parents are concerned about their child's health, a message can be left with the Principal who will arrange for the nurse to look at the child when she visits the school.

SCHOLASTIC BOOK CLUB

About twice a term the children are able to order reasonably priced books for their own collection through the Scholastic Book Club Scheme.

Pamphlets are issued regularly to each child. Money and orders to the school office please.

SCHOOL GROUNDS

The school grounds are available for use by children and families out of school hours. All school rules apply when the grounds are being used out of school hours. Staff and Board of Trustees' Members have the right to ask people to leave the grounds at any time. Grounds are out of bounds after 7.30pm or when dark.

We ask that people respect our school grounds and property whilst using it.

SCHOOL PHOTOS

An independent photographer comes once a year to take class, individual and sports photos. Purchase of photographs is voluntary.

SCHOOL UNIFORM

We have a school uniform - jade polo shirts, navy shorts, skirts (shorts/skirt combo), trousers and polar fleece vests and jackets. Long sleeved navy or black thermal tops may be worn under polo tops in winter. As part of our uniform in term 2 and 3 children are allowed to wear Canterbury Stadium Track Pants (Blue only) The uniform is compulsory.

NO jewellery is to be worn to school other than studded earrings (one in each earlobe). Platform soled shoes are discouraged because of the safety factor. Makeup including nail polish is not to be worn at school. Hair colour is to be natural and the hairstyle must be appropriate for school.

It is compulsory for children to wear sun hats in Terms 1 and 4.

When you enrol your child into Foxton Beach School you are accepting and supporting our uniform policy. If your child is wearing non uniform items they may be asked to ring parents and have uniform items brought to school.

SPORTS

Children are encouraged to participate in sports both at school and inter-school competitions.

We offer

Swimming	Hockey
Soccer	Rippa Rugby
Netball	Interschool Events
Basketball	Athletics
Cross Country	

Our teachers organise a lot of the sport but we are always looking for parents to help coach, manage or transport children to games. Please keep an eye out for notices regarding the organisation of sports. We try and organise the teams a term ahead of when they are playing so the children have time to practice together.

We ask all children and parents to respect the calls that the referees and the coaches make. Both referees and coaches are volunteers who give up their own time to make sure these sports happen, so please support them with positivity.

STATIONERY

All school stationery requirements may be purchased at the school office between 8.30-8.55 am. At the start of the year the children will be supplied with a subsidised start up pack by Home and School. In this start up pack will be all the stationery that the children need to get their year underway. Any other items that need to be purchased during the year is at the parent's expense. If you have a child who is using a Chromebook we would like you to purchase a set of headphones for the children to use in class.

SUNSMART

With today's awareness of melanoma, it is the school's policy for school hats, which are wide brimmed style, to be worn for protection during intervals, lunchtimes and all sports activities during Terms 1 and 4. Hats are provided by the school for the children to wear.

Children are encouraged to be responsible for sunsmart protection by using their own personal supply of 30+ sunscreen and applying it before they arrive at school. The school will make sunscreen available in all classrooms during Terms 1 and 4 each year.

SWIMMING POOL

During the swimming season all children take part in swimming instruction unless excused by a note. Named clothing is essential and independence in dressing is appreciated. The pool is filtered and maintained in top condition throughout the summer. PLEASE REMEMBER that when the weather is cold, the teacher decides if there is swimming or not, so swimming gear must be sent along EVERY DAY.

For afterschool and weekend swimming, keys are available to parents/guardians. NO children are permitted in the pool area without a parent/guardian and that adult has full responsibility for those children in the pool area.

NO other children are permitted in that area without a parent/guardian.

The key also opens the outside door to the junior boys toilet door by the concrete ramp.

TECHNOLOGY

As part of the Technology Programme, Year 7 & 8 children will travel by bus to the Foxton Technology Centre, Manawatu College.

VISITING THE SCHOOL

Parents/guardians are encouraged to visit the school and to discuss their child's progress with the class teacher. To ensure uninterrupted discussion it is advisable to contact the teacher and organise a suitable time. When visiting the school during class time please first go to the office before going to the classroom. On arrival at the classroom please knock to make your presence known to the class teacher and inquire as to whether your visit is convenient.
